**SchoolHouse Alert™ is the best way  
to ensure that right information gets  
to the right people at the right time.**

Designed to meet the needs of today's schools and parents,  
SchoolHouse Alert™ provides a safe, effective, and convenient  
framework for ensuring that your child's school can contact  
you in the case of an emergency!

Click on the "Register Now" button below and follow the simple  
3 step process to create your family's "alert" profile.

## Important Registration Information:

In the three simple steps that follow, you will be creating individual SchoolHouse Alert™ contact profiles for you and your family. This information will be used by your school to contact you, or those you designate, in the case of an emergency. After you have set up your basic profile, you can modify your preferences at any time in the future.

When you click on the "Get Started Now" button below, you will be prompted to do the following:

- ➊ First, you will create a Confidential Personal Profile and password for yourself;
- ➋ Second, your identity will be validated (by email or phone);
- ➌ Third, you will "Log in" to SchoolHouse Alert™ and complete your family's contact profile.

That's all there is to it!

## Privacy & Confidentiality Statement:

[Home](#)

Our policy is that all personal information will be collected only to the extent necessary to provide the services, alerts, and contact information desired by the Members. We respect the privacy rights of our Members, and the children for whom they are responsible. Any information gathered in connection with SchoolHouse ALERT™ will be kept strictly confidential, and will only be used or shared in ways that have been consented to in connection with the operation of SchoolHouse ALERT.™ SchoolHouse ALERT™ will not sell, rent, loan, trade, or lease any personal information of our Members, the children for whom they have responsibility, or others listed as contacts in the system. We will use the utmost care in protecting the privacy and security of your information.

SchoolHouse ALERT™ does use cookies to record some information and pass it from one page to the next in connection with this application. Rejecting a cookie in this application will render it useless. SchoolHouse ALERT™ uses cookies to make operation of this system more convenient for Members, and cannot be traced back to any personal or private information outside the operational context of this system. For every visitor to our site, there are several common pieces of information that we do collect and store in various operational logs. Internet Protocol (IP) address, browser type, operating system, the date and time of the visit, and the addresses to which the visitor linked during a visit to the site may be recorded. We do not associate this information with any individual persons distribute this information, or use it in any manner other than for statistical analysis in improving our site to better serve our visitors.

## Create A Confidential Individual Profile:

To ensure that only an authorized "Head of Household" can create or modify your family's alert profile, SchoolHouse Alert™ requires that you first create a Confidential Individual Profile that is confirmed by either email or phone. In order to complete this process, you must "Log-in" within 72 hours, or you will be prompted to start over.

If you have an E-Mail address, you will immediately receive your registration and Log-in information at the E-mail address you provide.

If you do not have an E-mail address, you will be notified by phone about how you can Log-in or use SchoolHouse Alert.™
